The Dog At My Feet: Stories Of The Dogs We Love

Synopsis

Pets are such a big part of so many of our lives. As any pet lover knows, a wagging tail or a tender purr can soothe the soul after a hard day. And sometimes, the presence of dogs and cats in our lives can do even more. In these delightful books, Callie Smith Grant collects stories that celebrate the dogs and cats in our lives--stories that touch our hearts, renew our spirit, and show us how God created these beasts for unique purposes. A funny little dog named Prince earns his title by protecting the children of the house. A "dickens of a cat" gives a cancer survivor something else to think about. A lively litter of puppies soothes a troubled child. A scrawny kitten helps an anorexic girl begin to eat. Well-known authors, including Melody Carlson, Tracie Peterson, and Robert Benson, as well as new voices share their inspirational true stories of these otherwise ordinary cats and dogs whose presence in the lives of humans make them remarkable. Each book also includes interesting sidebars, memorable quotes, helpful hints for living with dogs and cats, and forewords by H. Norman Wright. The stories are warm, captivating, and ideal for a good curl-up-and-read or for a gift to any pet lover. Cat lovers, dog lovers, and anyone who likes to read uplifting stories will cherish these books.

Customer Reviews

How in the world could so many people have read this book and no one corrected Callie Smith Grant's misconception that land animals were created on the fifth day. Fish and birds were created on the fifth day, land animals on the sixth. If you are the type of person, which I am, that can walk across a room filled with babies to get to the puppies or the kittens, if you judge a movie on the merit of the dog being saved, if you wish to win the lottery so you can establish a "no kill" shelter then you will enjoy this book. Just someone please correct that fifth day problem.

I just loved this book. A couple of the stories left me with questions, but I have bought copies to give as Christmas presents for friends who love dogs.

Awesome book with heartwarming stories, I love it.

Some really cute stories. All of them about dogs. Most pet owners could add stories and we know that all pets are unique. These stories bring back many memories of pets now gone to animal heaven.

This is a collection of dog stories. Some are funny. Others will break your heart and still others are inspiring. Anyone who loves dogs will love this book.

I got this for my granddaughter in 6th grade who likes to read animal stories. She liked it!
