Customer Reviews

This book has a lot of very handy tips on wood carving, If your starting out trying your hand at wood carving,you will find this book very usefull.There are 25 books in this set, all on different subjects.Ive found them to be very good on showing me how to go about makeing different projects.

I teach woodcarving and this is the best overall book I have found on the subject. It covers all aspects for the beginning carver.

Excellent book for beginners as well as experienced carvers. Easy to follow - Great step by step instructions. Highly recommend.
