Bulldogs & Bullets: A Dog Town USA Cozy Mystery

Synopsis

School teacher Mindy Monahan is missing. And the single witness who saw what happened only speaks canine...Ace reporter Winifred "Freddie" Wolf is in the dog house. After turning down the crime beat at her small town Oregon newspaper because of a conflict of interest, Freddie's editor at The Dog Mountain Chronicle demotes her back down to the dog beat. Which means covering more boring pooch parades, pet profiles, and canine puff pieces than any serious reporter could handle without losing her doggone mind. But when Freddie's friend Mindy Monahan goes missing just hours before the local school teacher was due to expose a ring of law-breaking dog owners, the journalist decides she won't heel and stay within the lines of her beat. With the help of her police lieutenant boyfriend and her puppy, Mugs, Freddie launches her own investigation into Mindy's mysterious disappearance. But little does Freddie know that by trying to sniff out the mystery, she's walking right into a deadly trap. Because it's a dog-eat-dog world out there. And Freddie Wolf is about to learn that lesson the hard way | *Bulldogs & Bullets* is the second book in the Dog Town USA Cozy Mystery series, and is preceded by *Mutts & Murder*.

(Goodreads) Review: When you look at the cover of **Bulldogs & Bullets**, you cannot help but smile. Looking at that adorable bulldog is enough to brighten anyone's day. And when you read the book, you will learn all about his personality and his adventure. It is a great story worth reading about and I am so glad that I did. The characters are well developed, well rounded and three dimensional.
