# Annuals For Washington And Oregon

## Synopsis

Discover the best annuals for the Northwest with this colorful guide. Plenty of photographs and illustrations accompany clear, easy-to-follow gardening advice. Tips on when to plant, growing from seed versus nursery-grown bedding plants, optimal growth conditions, problems and pests are also included.

## Customer Reviews

I found this book very useful. I especially enjoyed the rear section that graphically showed the comparison between each plant. Plenty of photos and more specific than other books. Highly recommended

Very well done with just enough information. Now I need the same for perennials.
