NCIDQ® IDPX: Sample Questions And Practice Exam

Synopsis

NCIDQ IDPX Sample Questions and Practice Exam contains 275 exam-like, multiple-choice questions that will help you pass the Interior Design Professional Exam (IDPX). The questions are organized into two parts. The first part includes 100 sample questions that cover the eight content areas of the exam. The second part consists of a 175-question practice exam that is consistent with the exam's content areas, format, and level of difficulty. Detailed answers are included for all sample and practice exam questions. Use This Book To Increase your familiarity with exam content areas by solving the sample questions. Assess your exam-readiness by taking the practice exam within the same four-hour time limit as the exam. Understand question-solving rationale by reviewing the included answers for all questions.

Exam Content Areas Covered Building Systems and Construction Code Requirements, Laws, Standards, Regulations, Accessibility, and Sustainability Construction Drawings, Schedules, and Specifications Documentation and Contract Administration Ethics and Business Practices Programmatic Information Project Coordination Selection, Specification, Use, and Care of FF&E, Interior Finishes, Materials, and Lighting

Customer Reviews

It really helped prepare for the test. I bought the cards and the main book as well. I consider all 3 a necessity for full preparation. The main book prepares for the full information the test pulls from. The sample questions are only a select set and the final questions are not identical but it prepares well.

The flash cards drill the information home. The test gets you used to the format.

this book is very helpful.briefly looked through the book and can tell that this will help with my exam in the future.

Thank you!
